The Band Boys.
From the Perry Gazette.

The band boys left Monday even-
ing in their new band wagon, and
were dressed in their new uniform,
looking altogether as gay as pea-
cocks and as lively as crickets, for
the Mexico fair. We wish them a
pleasant time and a profitable trip.
For our part we have no doubt but
that their services will afford good
satisfaction. We suppose the boys
took the contract at low figures, but
perhaps not so low as the Ralls
county Record insinuates, nor do
they propose to start a bank.

A premium should be offered to
the best lady rider in Audrain coun-
ty. The Ledger will offer a special
prize for an attraction of this kind
next fall.

The Bible is about the only thing
you can read now without stumbling
on to something about "laudable
pus."
